## GOAL & OBJECTIVE

Numerous competitive exams in India are conducted for entrance into undergraduate and post graduate professional courses as well as for securing services in the government. The test formats and subjects vary according to the level of the test. Most are objective tests, followed by a personality test, and are conducted in various venues at centers across the country. Competitive exams are tough, with lakhs of aspirants appearing for a limited number of seats. Leading Public sector banks conduct a test for entry as Probationary Officers. The number of vacancies depends on the banks. It is an aptitude test with candidates tested on verbal and quantitative skills, followed by a group discussion and an interview. The UPSC (Union Public Services Commission) & TNPS (Tamil Nadu Public Services Commission) conducts dozens of exams each year for entry into central government services, combined Medical and Engineering services, Economic service and the Indian Forests services. To motivate aspiring students to prepare for higher studies and guiding them to take exams such as CAT, GATE, TOEFL, GRE, IES, UPSC, TNPS etc. The college arranges various seminars and guest lectures from time to time to encourage the students to prepare for Competitive Examinations.

The Career Guidance and Counseling is to provide to student community all possible assistance in choosing the appropriate avenues. To enable the students to realize their primary ambition, it has become imperative to counsel and encourage them to set definite goals. The cell provides guidance and training by briefing about various avenues during the time of admission.

- Organizing talks and seminars regarding different job oriented and vocational courses.
- Inviting career counselors to inform students about job prospects of different subjects.
- Conducting aptitude tests, mock interviews and group discussions.
- Arranging personal development program.
- Encouraging the students to participate UPSC and TNPS Examinations
- Updating the students with latest information on Industry and Economic Trends
