CIRCULAR

Date: 18.11.2022

PRIST/MECH/2022-2023/ Awareness of trends in technology /06

CIRCULAR

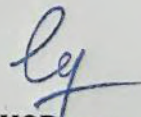

It is hereby informed that the Industrial IoT and Automation will be conducted as per the schedule given. Interested students are informed to attend their classes and make use of it. The speaker is Dr. D. Vincent Herald wilson, Professor, VIT-Vellore.

Date : 25.11.2022

Venue : Lecture hall 2.

Timing : 10.00 A.M to 4.00 P.M

For any clarification and support, contact Head of Department.

Awareness of Trends in Technology Industrial IoT and Automation

Dr. D. Vincent Herald Wilson explained all the processes that were involved in "Industrial IoT and Automation". The processes involved industrial internet of things (IIoT) is the use of smart sensors, actuators and other devices, such as radio frequency identification tags, to enhance manufacturing and industrial processes. These devices are networked together to provide data collection, exchange and analysis. Insights gained from this process aid in more efficiency and reliability. Also known as the industrial internet, IIoT is used in many industries, including manufacturing, energy management, utilities, oil and gas.

- ✓ Connected devices that can sense, communicate and store information about themselves.
- ✓ Public and private data communications infrastructure.
- ✓ Analytics and applications that generate business information from raw data.
- ✓ Storage for the data that's generated by the IIoT devices.

CONCLUSION : The lecture was of great success. It helps students to know about something new and prepare themselves for something innovative & new. The lecture came to an end of thanks by the professor

Sample Feedback Responses from the participants.

The objective of the trends in technology was achieved. The overall session discussion benefitted the Students. This Awareness of trends in technology would help the participants to Industrial IoT and Automation in an effective way and also it would help them to do their implementation in research work.

ID	Name of the student	Department	College Name	What is your overall assessment of the event? (i.e. Insufficient & S. Excellent)	Workshop Venue was comfortable?	How was the Presentation?	How was the Technical Session?	Knowledge and information gained from participation at this event (i.e. Insufficient & S. Excellent)	The workshop content was sufficient & S. Excellent)	Future comments or suggestion
3	Mohammad fauzal. M	Mechanical	Prist university	5	Yes	Nice	Good	5	5	Good
2	S. Lamin Kumar	Mechanical Engineering	PRIST deemed to be university	5	Yes	Very nice	Very super	5	5	Nil
3	Vedha s	Mechanical Engineering	PRIST deemed to be university	5	Yes	Good	The technical session was very nice	4	4	The time was insufficient
3	Kishore S	Mechanical engineering	PRIST deemed to be university	5	Yes	Good	Excellend	4	4	Very impartan speech and enjoy mend the class and good explain the voice
3	P.Dhinakaran	Mechanical engineering	PRIST deemed to be university	5	Yes	Well	Good	5	5	Continue this method.
3	DINESH K	Mechanical	PRIST deemed to be university	4	Yes	Informative	Nice one	4	4	Informative session
3	P. S. Dhivyakumar	Mechanical department	PRIST deemed to be university	5	Yes	Good	Much better	5	4	Can be conduct other day
4	Ponnarasas	Mechanical Engineering	PRIST deemed to be university	4	Yes	Good	Brity good	4	3	Nothing
4	Abhiakar	Mech	PRIST deemed to be university	2	Yes	Normal	Normal	2	1	good
4	AJAY A	Mechanical engineering	PRIST deemed to be university	5	Yes	Good	Useful	5	5	Nothing
5	Ajmal Hussain A	Mechanical	PRIST deemed to be university	3	Yes	Null	Null	3	3	Null
5	KEERTHI VASAN R	MECHANICAL	PRIST deemed to be university	5	Yes	Excellent	Excellent	5	5	Excellent
5	Manojkumar R	Mechanical department	PRIST deemed to be university	3	Yes	Good	Good	3	3	Improvement in practice method
5	Praveenkumar R	Mechanical department	PRIST deemed to be university	4	No	Good	Good	3	3	Good
5	Manojkumar R	Mechanical department	PRIST deemed to be university	1	Yes	Good	Good	1	1	good technical session
5	ABDULHAKKIM S	Mechanical engineering	PRIST deemed to be university	5	Yes	Good	Very nice	5	5	Nothing
6	HEMANATHIAN B	MECHANICAL ENGINEERING	PRIST deemed to be university	4	Yes	Nice	Good	4	5	Nil

**PONNAIYAH RAMAJAYAM INSTITUTE OF

**SCHOOL OF ENGINEERING AND TECHNOLOGY THANJAVUR
Department of Mechanical Engineering**

ACADEMIC YEAR 2022-2023

CIRCULAR

Date: 03.04.2023

PRIST/MECH/2022-2023/ Awareness of trends in technology /06

CIRCULAR

It is hereby informed that **Product Design Development and Modeling** will be conducted as per the schedule given. Interested students are informed to attend their classes and make use of it. The speaker is Dr.M.Manickam, M.E,Ph.D. Assistant Professor, Bharath Deemed to be University, Chennai- 600 073.

Date : 05.04.2023

Venue : Seminar hall .

Timing : 10.00 A.M to 4.00 P.M

For any clarification and support, contact Head of Department.

Awareness of Trends in Product Design Development and Modeling

Dr.M.Manickam explained all the processes that were involved in "Product Design Development and Modeling". Product modeling is an amalgamation of science, geometry, design and mathematics. It is defined as the process of creating a mathematical portrayal of a 3D structure using specialized software. This representation of a structure is called a 3D model, which is the best way to visualize the real product.

- ✓ It has redefined what all can be developed in a stipulated amount of time, overall enhancing the design process.
- ✓ The new developments in product modeling have helped in the resolution of all the limitations of outdated processes.
- ✓ Increased functionality and productivity across design teams.

A career in product design is a great choice. The demand for product designers is high. If he or she works hard and has the right skills, a product designer can make a lot of money.

CONCLUSION : The lecture was of great success. It helps students to know about something new and prepare themselves for something innovative & new. The lecture came to an end of thanks by the professor

Sample Feedback Responses from the participants.

The objective of the trends in technology was achieved. The overall session discussion benefitted the Students. This Awareness of trends in technology would help the participants to Product Design Development and Modeling in an effective way and also it would help them to do their implementation in research work.

Sl. No.	Name of the Student	Department	College Name	What is your overall assessment of the event? (1-Excellent)	Workshop Venue was comfortable?	How was the Presentation?	How was the Technical Session?	Knowledge and information gained from participation at this event? (1-Insufficient & 5-Excellent)	The work shop content was interesting & useful?	Future comments or suggestions
1	Mohammed Ijazal M	Mechanical	Prist university	5	Yes	Nice	Good	5	5	Good
2	S. Lenu Kumar	Mechanical Engineering	PRIST deemed to be university	5	Yes	Very nice	Very super	5	5	Nil
3	Vedha S	Mechanical Engineering	PRIST deemed to be university	5	Yes	Good	The technical session was very nice	4	4	The time was insufficient
3	Kashore S	Mechanical engineering	PRIST deemed to be university	5	Yes	Good	Excellent	4	4	Very impatan speech and enjoy mend the class and good explain the voice
3	P.Dhinakaran	Mechanical engineering	PRIST deemed to be university	5	Yes	Well	Good	5	5	Continue this method.
3	DINESH K.	Mechanical	PRIST deemed to be university	4	Yes	Informative	Nice one	4	4	Informative session

MOBILE APPLICATION DEVELOPMENT USING ANDROID STUDIO

Use the Android software development kit (SDK) to develop apps that take advantage of the Android operating system and UI. The SDK includes a comprehensive set of development tools including a debugger, software libraries of prewritten code, a device emulator, documentation, sample code, and tutorials. Use these tools to create apps that look great and take advantage of the hardware capabilities available on each device. To develop apps using the SDK, use the Java programming language for developing the app and Extensible Markup Language (XML) files for describing data resources. By writing the code in Java and creating a single app binary, you will have an app that can run on both phone and tablet form factors. You can declare your UI in lightweight sets of XML resources, one set for parts of the UI that are common to all form factors, and other sets for features specific to phones or tablets. At runtime, Android applies the correct resource sets based on its screen size, density, locale, and so on. To help you develop your apps efficiently, Google offers a full Java Integrated Development Environment (IDE) called Android Studio, with advanced features for developing, debugging, and packaging Android apps. Using Android Studio, you can develop on any available Android device, or create virtual devices that emulate any hardware configuration. Android provides a rich development architecture. You don't need to know much about the components of this architecture, but it is useful

to know what is available in the system for your app to use. The following diagram shows the major components of the Android stack — the operating system and development architecture.

Deemed to be University
Vallam, Thanjavur - 613 403.

The challenges of Android app development

- Building for a multi-screen world
- Getting performance right
- Keeping your code and your users secure
- Remaining compatible with older platform versions

COURSE OBJECTIVE

- Brand Awareness
- Increase Sales
- Improve Loyalty
- Stay Top of Mind
- Collect Important Data
- Reach More People
- Improve efficiency
- Improve productivity
- Saving and utilization.

Outcomes

This course will cover a quick introduction to setting up Flutter SDK, Android Studio IDE, and Android Emulator locally on your own machine.

However, setting up your own local environment is not required to follow exercises in this course. You should be able to run Flutter Apps right here on the Educative platform.

- You'll start from building a Hello World app with Flutter while learning the fundamentals of Flutter widgets.
- You'll learn about layouts by building a contact profile page for Android device's address book.

intuitive programming languages ever! Python is extremely simple to learn, yet very powerful! That is why so many big players like Google, Yahoo, Dropbox and even NASA are using it!.

What makes python unique?

Python is among very few languages with extremely low syntactic overhead giving it tremendous expressive powers. Many other features which includes overlapping feature set, like generator expressions, optimal performance of iterations, meta classes to increase class customization etc... Of course, an open source (FREE).

COURSE OUTLINE

Example

```
print("Hello, World!")
```

PYTHON DATA TYPES :

1. Built-in Data Types
2. Getting the Data Type
3. Setting the Data Type
4. Setting the Specific Data Type

He interacted with students by asking questions about Artificial Intelligence and its applications. Then he explained the differences between Artificial Intelligence and Machine Learning, the two hot buzz words in the current market and why Machine Learning is required.

As per the feedback received from the participants it was a very good learning experience, the lecture helped them in understanding the basics of Artificial Intelligence and how to apply the concepts learned in their curriculum to do projects.

MOBILE APPLICATION DEVELOPMENT USING ANDROID STUDIO

Use the Android software development kit (SDK) to develop apps that take advantage of the Android operating system and UI. The SDK includes a comprehensive set of development tools including a debugger, software libraries of prewritten code, a device emulator, documentation, sample code, and tutorials. Use these tools to create apps that look great and take advantage of the hardware capabilities available on each device. To develop apps using the SDK, use the Java programming language for developing the app and Extensible Markup Language (XML) files for describing data resources. By writing the code in Java and creating a single app binary, you will have an app that can run on both phone and tablet form factors. You can declare your UI in lightweight sets of XML resources, one set for parts of the UI that are common to all form factors, and other sets for features specific to phones or

tablets. At runtime, Android applies the correct resource sets based on its screen size, density, locale, and so on. To help you develop your apps efficiently, Google offers a full Java Integrated Development Environment (IDE) called Android Studio, with advanced features for developing, debugging, and packaging Android apps. Using Android Studio, you can develop on any available Android device, or create virtual devices that emulate any hardware configuration. Android provides a rich development architecture. You don't need to know much about the components of this architecture, but it is useful to know what is available in the system for your app to use. The following diagram shows the major components of the Android stack — the operating system and development architecture.

The challenges of Android app development

- Building for a multi-screen world
 - Getting performance right
 - Keeping your code and your users secure
 - Remaining compatible with older platform versions
- Understanding

COURSE OBJECTIVE

- Brand Awareness
- Increase Sales
- Improve Loyalty
- Stay Top of Mind
- Collect Important Data
- Reach More People
- Improve efficiency
- Improve productivity
- Saving and utilization.

Outcomes

This course will cover a quick introduction to setting up Flutter SDK, Android Studio IDE, and Android Emulator locally on your own machine.

However, setting up your own local environment is not required to follow exercises in this course. You should be able to run Flutter Apps right here on the Educative platform.

- You'll start from building a Hello World app with Flutter while learning the fundamentals of Flutter widgets.
- You'll learn about layouts by building a contact profile page for Android device's address book.
- You'll understand styling apps using Flutter themes.
- You'll build a Movie Listing App using TheMovieDB REST API.

8. UPSC Civil Service (IAS)

One of the most popular choices for graduates is to appear for various entrance exams after graduation in India whether competitive or government exams. These entrance exams provide a platform for students to kickstart their professional journey. However, with numerous options available, students often find it challenging to choose the right one for them.

The blog will cover the details of each exam, such as eligibility criteria, exam pattern, syllabus, and career prospects. It will also provide tips on how to prepare for the exams,

GUEST LECTURE ON ENERGY AUDIT

What Is an Energy Audit?

An energy audit is completed at a residential or commercial building to determine its energy efficiency. Simply put, energy efficiency means using less energy to do the same job.

The audit will provide you with a complete electricity consumption and energy efficiency assessment. You can obtain important information regarding your energy usage and Energy Star rating from the audit report.

With this information, you can identify and correct any energy usage issues to cut electricity costs. It's advisable to always undertake an energy audit before implementing a renewable energy system.

Who Conducts an Energy Audit?

A registered energy advisor or energy auditor will conduct a home energy audit or business energy audit. In addition, energy auditors are responsible for completing energy efficiency assessments of commercial and non-commercial buildings.

What Is Done During an Energy Audit?

There are three parts to an energy audit: evaluation, testing, and efficiency recommendations. Once the audit is complete, the auditor will provide you with a report outlining energy consumption, a final energy grading, and home improvement suggestions to cut energy costs on energy bills.

BREAST CANCER AND CERVICAL CANCER AWARENESS PROGRAMME

Introduction

The posters provide awareness among students, regarding the types of cancer, early symptoms, diagnostic methods and preventive methods, and motivate them to avoid habits that increase the risk of cancer. The importance of cancer awareness has been emphasized as a means of ensuring behavior that facilitates early detection, whereas the absence of cancer awareness has been seen as a detriment to this end. Delay in health-seeking is also attributed to factors such as illiteracy, financial constraints, as well as myths and superstitions along with lack of awareness and this go hand-in-hand, most of the time. Screening is an important preventive measure in cancer control. Even though the national programme in India has a screening component, it is yet to take root in most part of the country. At present, most of the screening tests are available at higher centers only.

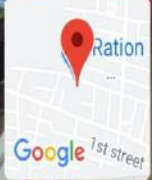

OBJECTIVES:

- Create cancer awareness and remove the stigma and fear attached.
- Help people recognize early signs and symptoms of cancer, thus enabling them to seek at an early stage.
- Educate students about the key risk factors, since more than 30% of cancer cases could be prevented by modifying lifestyle or avoiding the risk factor.
- Inform women about mammograms, clinical breast exam and breast self-exam
- Inform students about the importance of regular screening and check-ups

Safe Internet Habits
(Awareness program)

About the Department

The School of Education was established in the year 2008 in our esteemed institution with experienced and efficient faculty members. Since School of Education plays a vital role in all branches of education, all faculty members of our department put all possible efforts to make the future teachers very efficient and excellent in all walks of their career. We are following a wonderful system to achieve this goal as per the advice and guidance from our Chairman, Vice-Chancellor, Registrar, Dean and Managers. Now there are twenty four faculty members and two non-teaching staff in our department. Ten faculties has been awarded Ph.D., and two faculties are pursuing Ph.D., Also the Department of Education acts as the Local Examination Cell and the staff members are un-tiredly working for the smooth functioning of the Department activities.

Our department believes in activity based teaching and students are enhanced by us to improve their language skills. The art of teaching and learning process will lead the students to practice English by constant speaking. Students are being given practice for their progress in career advancement. Our department works tirelessly for PRIST University results and also for professional progression. Training & Placement course and literary club activities are rendered in our university to make the students adorable..

About the Program:

- One day program on 12/07/2023
- This is an awareness program. Most people store a lot of personal information on their computers. If you don't protect your computer properly when you're online, it's possible that personal details could be stolen or deleted without your knowledge. Your computer can be attacked in a number of ways over the internet.

Objectives of the Program:

- Never post or trade personal pictures. Never reveal personal information, such as address, phone number, or school name or location. Use only a screen name and don't share passwords (other than with parents). Never agree to get together in person with anyone met online without parent approval and/or supervision.
- Regular physical activity is proven to help prevent and manage non communicable diseases such as heart disease, stroke, diabetes and several cancers. It also helps prevent hypertension, maintain healthy body weight and can improve mental health, quality of life and well-being.

Benefits of this Program:

- Avoiding legal Fines and Penalties.
- Maintaining Employee and Customer Trust.
- Safeguarding Business Operations.
- Better cyber security posture.
- Protecting organizations against paying a ransom.
- Staying ahead of the competition.

About the Department

The School of Education was established in the year 2008 in our esteemed institution with experienced and efficient faculty members. Since School of Education plays a vital role in all branches of education, all faculty members of our department put all possible efforts to make the future teachers very efficient and excellent in all walks of their career. We are following a wonderful system to achieve this goal as per the advice and guidance from our Chairman, Vice-Chancellor, Registrar, Dean and Managers. Now there are twenty four faculty members and two non-teaching staff in our department. Ten faculties has been awarded Ph.D., and two faculties are pursuing Ph.D., Also the Department of Education acts as the Local Examination Cell and the staff members are un-tiredly working for the smooth functioning of the Department activities.

Our department believes in activity based teaching and students are enhanced by us to improve their language skills. The art of teaching and learning process will lead the students to practice English by constant speaking. Students are being given practice for their progress in career advancement. Our department works tirelessly for PRIST University results and also for professional progression. Training & Placement course and literary club activities are rendered in our university to make the students adorable.

About the Programme

- One day Program on 23/12/2022
- Security Compliance Management is an ongoing process of defining security policies, auditing compliance in line with those policies, and ensuring that compliance violations are resolved

Objectives of the Program:

- Security management is focused on loss-prevention, and can include: The identification of, and protection against, hazards. The recruitment or provision of armed response, bodyguard, and armored delivery services. The implementation of IT security.
- This global template organizes key enforcement and regulatory issues into five essential compliance program elements: leadership, risk assessment, standards and controls, training and communication, and oversight.

Benefits of this Program:

Security and compliance serve distinct purposes in risk management. Security is related to internal safeguards, while compliance is about meeting external standards. To improve your organization's security posture, you should understand the differences as well as how compliance and security work together.

Security compliance managers develop and oversee an organization's security policies and procedures in accordance with industry regulations, standards, and laws. It is their responsibility to ensure that the organization meets all of the security requirements to prevent cyber-attacks and data breaches.

PROGRAMME TITLE: SECURITY MANAGEMENT TRAINING AND COMPLIANCE TRAINING

(Awareness programme of trends in technology)

REPORT OF THE PROGRAM

Security management training and compliance training Life Skill Development Program was organized by our Department of Education on 23/12/2022 at Seminar Hall in Prist Black. The program was started at around 10.00 Am. With Tamil Thai Vazhthu and Vendhar Pa sung by our B.Ed students. The purpose of the program students must be having some valuable quality to improve their life skill. Dr.R.Gunasekaran Dean of School of Education has delivered Welcome Address. The Resource person Dr.K.Muthuswamy, Principal of Annai Collage Of Education, Kumbakonam. gave a wonderful lecture with Power point presentation and our Hon'ble Vice chancellor Dr. Christy, and Dean School of Education Dr. R. Gunasekaran gave a very impressive motivational speech, and gave some technical key notes to the students. The program ended with Vote of Thanks given by Mr.T.Selvaraj, Assitant Professor of School of Education. Students making the program grand success.

A REPORT ON THE SEMINAR

Solar cell Application and TrandsSkills and Leadership

Department of Physics, Ponnaiyah Ramajayam Institute of Science & Technology (PRIST), organized a one-day seminar on "Solar cell Application and Trands" on April 25, 2023 in Seminar Hall-I. The seminar focused on guidance in Communicating effectively in groups.

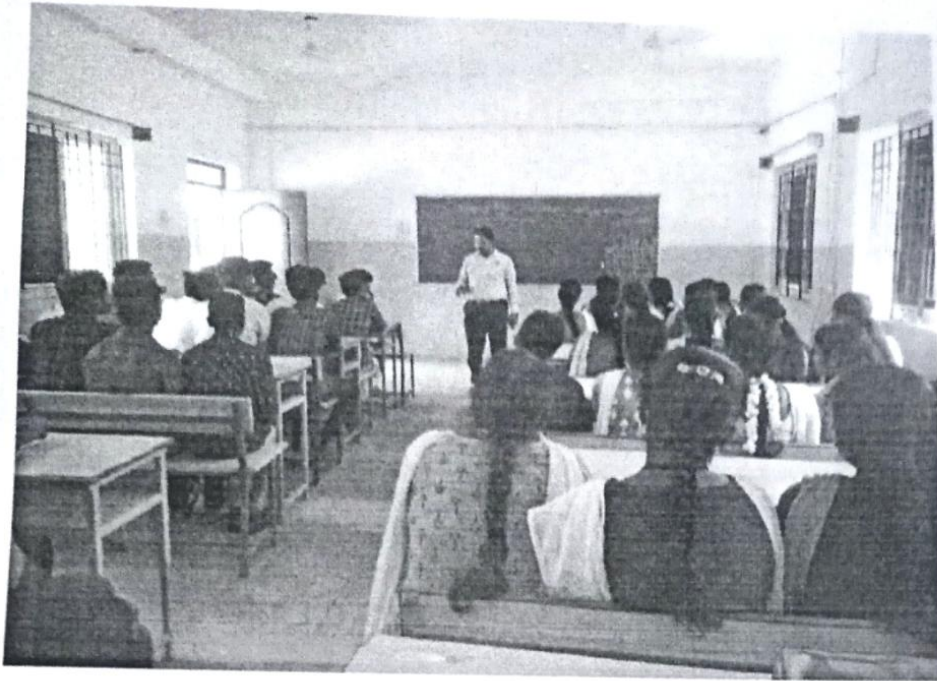

The dignitaries on the dias were **Dr. L. CHINNAPPA**, Dean, School of Arts and Science, **Dr. M. SIVANANTHAM**, **Dr. S. SUBASHCHANDRABOSE**, **Dr. V. VIDHYA**, **DR. K. VINOTH**, **DR. S. SNEGA**, **DR.C. THENMOZHI**, Assistant Professor Ponnaiyah Ramajayam Institute of Science and Technology

The programme started at 10:00 am with the welcome address by **DR. S. SUBASHCHANDRABOSE**, Department of Physics. **Dr. L. CHINNAPPA**, Dean, School of Arts and Science delivered an Inaugural address about the seminar. **DR. V. VIDHYA**, PRIST University delivered the Guest introduction about the conference.

DR.C. THENMOZHI, Assistant Professor, gave lecture on the Guidance about **Solar cell Application and Trands**. The development of solar cells began with the invention of single crystal silicon solar cells in 1954 at Bell Labs. Thereafter, research continued to make progress, and during the era spanning the latter half of the 1950s through the beginning of the 1960s, this technology began to be utilized in high value added applications such as the power supply for a man-made satellite. After the seminar he interacted with the students and clarifies their doubts. Finally, **DR. S. SNEGA**, Assistant Professor, Department of Physics delivered a vote of thanks.

A REPORT ON THE SEMINAR

Topics: The Arts and Science of Relationships: Soft Human Education

Department of Physics, Ponnaiyah Ramajayam Institute of Science & Technology (PRIST), organized a one-day seminar on "The Arts and Science of Relationships: Soft Human Education" on February 15, 2023 in Seminar Hall-I. The seminar focused on guidance in Communicating effectively in groups. The dignitaries on the dias were Dr. L. CHINNAPPA, Ph.D., Dean, School of Arts and Science, Prof.K.Sathya, Assistant Professor, Department of Commerce, Dr. DR. K. SARITHA, Professor and Scientist, DR. C.YOGAMBAL, DR. M. SIVANANTHAM, DR.S.SUBASHCHANDRABOSE, Assistant Professor, Ponnaiyah Ramajayam Institute of Science and Technology. The programme started at 11:00 am with the DR. S. SUBASHCHANDRABOSE, Department of Physics. Dr. L. CHINNAPPA, Dean, School of Arts and Science delivered an Inaugural address about the seminar. DR. V. VIDHYA, PRIST University delivered the Guest introduction about the conference.

Prof. S.Rasakumar, Assistant Professor, gave lecture on the Embark on a transformative journey with The Arts & Science of Relationships: Human Needs course. Explore the intricate forces shaping human behavior and relationships through psychology, sociology, and anthropology. Enhance self-awareness, communication finesse, and connections with others. Whether you're aiming for professional growth or just curious, invaluable insights for a more fulfilling life. Discover the Strategies and Skills Learning and Development System (SSLD) - a versatile toolkit for everyday and specialized fields like social work and healthcare. Gain wisdom from real-world relationship cases, unlock the SSLD assessment framework, and develop core relationship management skills. Whether for personal or professional reasons, equips you to navigate relationships confidently and skillfully.. She gave detailed list of websites for notes and library resources. After the seminar he interacted with the students and clarifies their doubts. Finally, MR. K. SWAMINATHAN, Assistant Professor, Department of Physics delivered a vote of thanks.

A REPORT ON THE SEMINAR 28.09.2022

Topics: "Green Energy and Renewable Energy"

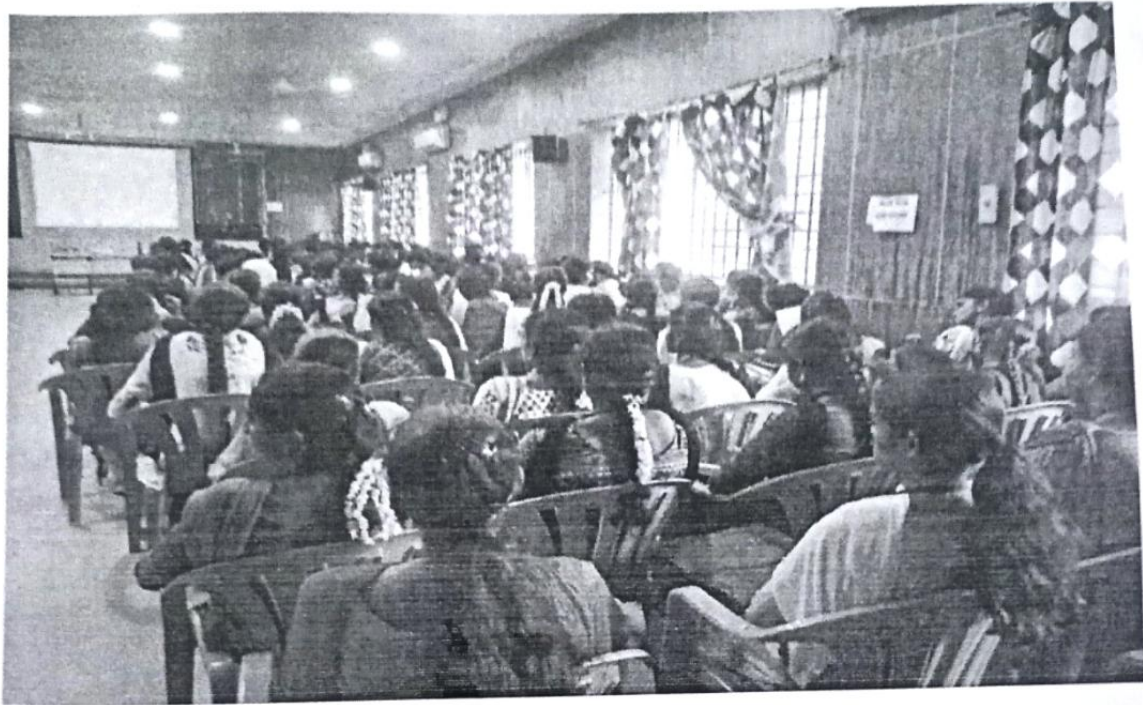

Department of Physics, Ponnaiyah Ramajayam Institute of Science & Technology (PRIST), organized a one-day seminar on "Green Energy and Renewable Energy" on September 28, 2022 in Seminar Hall-I. The seminar focused on Professional skills development.

The dignitaries on the dias were **Dr. L. CHINNAPPA**, Dean, School of Arts and Science, **Dr. S. SUBASHCHANDRABOSE**, Professor, Department of Physics, **Dr. M. SIVANANTHAM**, Associate Professor and Scientist, **Dr. V. VIDHYA**, Department of Physics, **Dr. S. JAGADESAN**, **Dr. N. NISHA BANU**, **Dr. S. SNEGA**, **Dr. K. VINOTH**, Assistant Professor, Ponnaiyah Ramajayam Institute of Science and Technology. The programme started at 11:00 am with the welcome address by **Dr. K. VINOTH**, Department of Physics. **Dr. L. CHINNAPPA**, Dean, School of Arts and Science delivered an Inaugural address about the seminar. **Mr. K. SWAMINATHAN**, PRIST University delivered the Felicitation about the seminar.

Dr.S.SUBASHCHANDRABOSE, Assistant Professor, gave lecture on "Green Energy and Renewable Energy". The terms 'green energy' and 'renewable energy' are often used interchangeably, but there is one essential (and sometimes confusing) difference between them. While most green energy sources are also renewable, not all renewable energy sources are considered entirely green. Renewable energy comes from sources that are constantly and naturally renewed (hence the name), such as **wind power** and **solar power**. Renewable energy is also often called sustainable energy. After the seminar he interacted with the students and clarifies their doubts. Finally, **DR. S. JAGADESAN**, Assistant Professor, Department of Physics delivered a vote of thanks.

**SUMMARY OF CAPACITY DEVELOPMENT AND SKILL ENHANCEMENT
PROGRAMME - AWARENESS OF TRENDS IN TECHNOLOGY- PRA
(PARTICIPATORY RURAL APPRAISAL)**

The capacity development and skill enhancement program on Awareness of trends in technology PRA (Participatory Rural Appraisal) is carried out for all the students from Ist Year to IVth Year. The classes were commenced on 23.01.2023

- This method enhance the students to learn about the rural life and their environment from the rural people.
- Students learnt about the social structures in the village and the differences among the households by ethnicity, religion and wealth.
- The students learnt about the various PRA techniques viz., social mapping, resource map, transect walk, mobility map, time line, time chart or seasonal calendar, daily routine diagram, wealth ranking, matrix ranking, problem tree and impact diagram.
