## **Report on ‘ImmunFest – 2022’**

### **Introduction**

#### **International Day of Immunology**

The purpose is to use immunology to fight the major health challenges in India. Day of Immunology (DoI) was held for the **first time on April 29th, 2005** by the European Federation of Immunological Societies (EFIS). The foundation of the day was to fortify immunology as the root for the overall health and well-being of an individual among the public and scientific community.

#### **Highlights**

- The immune system is the key to the body’s defense against infections
- To signify the importance of immunity, April 29th is marked as the International Day of Immunology with 2022 theme — “Vaccines”
- The international day serves as a bridge between understanding the immune system and raising global awareness of immunology

An Immunology Day Poster Presentation Fest ‘ImmunFest – 2022’ was jointly organized by School of Arts and Science, Department of Lifescience, PRIST University on 29<sup>th</sup> April, 2022. An advertisement in this regard was given in the University social network groups (via WhatsApp) during the third week of April. We have given four main themes from the Immunology i) Vaccinology ii) Autoimmune Disease iii) Infectious Disease and iv) Covid – 19 for the poster / chart presentation.

## **Proceedings**

### **Opening session**

The opening session was addressed by Dr. L. Chinnapa, Dean, School of Arts and Science, PRIST University, Thanjavur. A total of 150 students participated in the event, including 12 faculties from Department of Life Science. The students were presented the scientific posters in an appropriate theme (i) Vaccinology ii) Autoimmune Disease iii) Infectious Disease and iv) Covid – 19)

### **Session – 1 & 2**

In inaugural speech Dean sir highlighted how much the medical posters are important and beneficial to a student as well as to the public and said, it stands to be very useful for understanding the different & elaborative topics of Medical sciences.

The students participated, showed positive involvement and smoothly defended their posters in front of the Judges viz. Dr. R. Arunkumar and Dr. Arjun Pandiyan. The overall event was successful and admired in the university. It stood to be beneficial to memorize & update an **Immunology Day**.
