SOFT SKILLS AND APTITUDE TRAINING PROGRAM

Mr. Ramesh explained all the processes that were involved in "Soft Skills and Aptitude Training Program". Soft skills are an essential part of improving one's ability to work with others and can have a positive influence on furthering your career. If you are a small business owner or self-employed, soft skills can help you find, attract, and retain clients.

Highly-developed presentation skills, networking abilities, and etiquette awareness can help you win new clients and gain more work from existing clients. Honing your abilities to resolve conflicts, solve problems, and provide excellent customer service can lead to stronger relationships with colleagues, vendors, and other professional contacts. Ultimately, strong soft skills can help you gain confidence— an invaluable trait in the business world.

CONCLUSION : The lecture was of great success. It helps students to know about something new and prepare themselves for something innovative & new. The lecture came to an end of thanks by the professor

Sample Feedback Responses from the participants.

The objective of the Soft Skills and Aptitude Training was achieved. The overall session discussion benefitted the Students. This Soft Skills and Aptitude Training would help the participants to program in an effective way and also it would help them to do their implementation in research work.

SOFT SKILLS AND APTITUDE TRAINING PROGRAM

Mr.T.Sathish kumar explained all the processes that were involved in “Soft Skills and Aptitude Training Program”. Soft skills are an essential part of improving one’s ability to work with others and can have a positive influence on furthering your career. If you are a small business owner or self-employed, soft skills can help you find, attract, and retain clients.

Ways to develop soft skills

- ✓ Consider working with a mentor who can provide feedback and model appropriate skills.
- ✓ If your focus is on improving communication, courses in subjects like public speaking or joining a group such as Toastmasters can be helpful.
- ✓ Get a coach who can help you develop high priority skills quickly. Read our post 3 Signs An Executive Coach Can Benefit for Your Independent Business to determine if it’s time to engage an executive coach.
- ✓ Although it may seem deceptively simple, don’t underestimate the effect of positivity and optimism. After all, the majority of these skills are bolstered by confidence and enthusiasm and undermined by anxiety, insecurity, and negativity. Changing your mindset so you are able to see the positive in situations can have a significant impact on how you interact with others.

CONCLUSION : The lecture was of great success. It helps students to know about something new and prepare themselves for something innovative & new. The lecture came to an end of thanks by the professor

ABOUT SOFT SKILL DEVELOPMENT

In order to enhance the soft skills and employability skills of the students, value added courses such as Communication Skills, Business Communication, Personality Enhancement and Campus to Corporate are made an integral part of the curriculum of the students. The students are also counseled and motivated to become better citizens and advised to stand upright for social causes. To imbibe these qualities, they are encouraged to participate in activities for social and community service. The University also provides every student with the facility of undertaking an Inter-Disciplinary project so as to enhance their soft skills. Apart from this the students are provided Summer and Winter Internships, Exchange Programmes, Projects, Dissertations, Seminars, Group Discussions, Mock Interviews, Inter-disciplinary Projects, Team Activities, Community based activities, Placement Assistance via Corporate Resource Centre, Organizing activities to enhance their application skills, team building skills and entrepreneurial skills. Many conferences are also organized from time to time to enhance the knowledge and skills of students. Many School level, Intra-University and Inter University events are organized from time to time for the holistic development of the students

OBJECTIVES

- To develop and train the students to learn the soft skill and face the corporate world and have a successful professional career.
- To develop soft skills and communication ability to challenge the rigors of competitive tests and on-job-training in add-on or vocational courses
- To arrange for various technical and career guidance related seminar/workshop to help student to improve their technical knowledge and to let them decide on career path.

ABOUT THE DEPARTMENT

The Department of Biotechnology was established in the year 2005 with an objective of imparting quality education and understanding the dynamic nature of Biotechnology. The department offers Undergraduate, Postgraduate, and Doctoral programs. Since 2008, the Department of Biotechnology has come forth as a full-fledged University Department of PRIST Deemed to be University. Excellent infrastructure facilities are available in the Department for the benefit of students. Many International and national conferences/seminars, workshops are conducted periodically. The department has a dedicated team of staff members and distinguished faculty, trained at renowned Institutes from India and abroad. Apart from teaching, the faculty members are equally committed to research. The faculty members attract financial support for their research activities from both governmental and private agencies.

About the Program

Leadership development Programme conducted by competent faculty. Eminent and well known teachers are invited for these courses on Saturdays. Students who attended these courses have shown better performances in competitive exams and they have found it useful in their future research career. The main aim of the program is to prepare our students for the exam through thorough and detailed educational material. Our study material is crisp and to the point that will help them to understand the subject in depth. Our teachers prepare the best possible quality of exams so that they can test their preparation for the exam. They can also understand how to rectify the mistakes and learn from them as our teachers will always be present to guide them to success. This seeks to ensure minimum standards for entrants in the teaching and research fields.

Objective of the Program

- To improve the leadership quality by using different techniques
- To provide various knowledge platform for the students to enhance their leadership quality

Benefits of the Program

DEPARTMENT OF BIOTECHNOLOGY

ABOUT THE DEPARTMENT

The Department of Biotechnology was established in the year 2005 with an objective of imparting quality education and understanding the dynamic nature of Biotechnology. The department offers Undergraduate, Postgraduate, and Doctoral programs. Since 2008, the Department of Biotechnology has come forth as a full-fledged University Department of PRIST Deemed to be University. Excellent infrastructure facilities are available in the Department for the benefit of students. Many International and national conferences/seminars, workshops are conducted periodically. The department has a dedicated team of staff members and distinguished faculty, trained at renowned Institutes from India and abroad. Apart from teaching, the faculty members are equally committed to research. The faculty members attract financial support for their research activities from both governmental and private agencies.

About the Program

Self motivation - Programme are conducted by competent faculty. Eminent and well known teachers are invited for these courses on Saturdays. Students who attended these courses have shown better performances in competitive exams and they have found it useful in their future research career. The main aim of the program is to prepare our students for the exam through thorough and detailed educational material. Our study material is crisp and to the point that will help them to understand the subject in depth. Our teachers prepare the best possible quality of exams so that they can test their preparation for the exam. They can also understand how to rectify the mistakes and learn from them as our teachers will always be present to guide them to success. This seeks to ensure minimum standards for entrants in the teaching and research fields.

Objective of the Program

- To improve the students knowledge for preparing various competitive examinations
- To provide provided a wonderful platform for the students to enhance their employability skills

Benefits of the Program

- Can pursue a career in education in the position of various jobs and Assistant Professor at prestigious universities all around India
- To provide opportunities to competitive exam and qualified candidates to undertake advanced studies and research

SCHOOL OF COMMERCE AND MANAGEMENT
 SOFT SKILL DEVELOPMENT PROGRAMME
 COMMUNICATION SKILLS (17.09.22)

The School Of Commerce And Management Department Of Commerce Organized a Personality Development programmed for the students by the noted Family Counselor **Dr.U.Rajan, Asst.Professor, and Department of Management.** The aim of the programmed is to equip students in leading a successful life. Group activities were given to students for problem solving and decision making. Students actively participated in the programmed. At the end of the session all the students gave feedback and share their experience.

A joint initiative of General and Higher Education Departments launched with an objective to impart quality skill education to undergraduate students alongside their regular curriculum. is a combination of three courses, namely, Communication Skills in English, Basic IT and an Elective Domain Specific Skill Course. By imparting these soft skills to a large student community, the project envisages to create a large talent pool that can work in modern day organizations that promote a global work environment. By choice student groups receive sector specific skills that further enable them to be employable and industry ready. Normal College has been offering this programmed to our students from 2022 onwards. Foundation

course comprises of effective training in Communication Skills in English and basic IT Skills. Both these programmers are delivered to students for 1 Day. The college has a Skill Development Executive (SDE) appointed by ASAP, Govt. of

SOFT SKILL DEVELOPMENT PROGRAMME

(PROBLEM SOLVING)

The School of commerce and management is arranged Department of Commerce soft skill development programmed for the under graduate students on 30.12.2022. The programmed was led by the *Dr.M.Vijay Asst.Professor, Department of management* Soft skill is a term often associated with commerce department. The PRIST deemed to be university –vallam student’s welfare in soft skill development aim and process of assigned Problem-solving skills are important in every career at every level. As a result, effective problem solving may also require industry or job-specific technical skills. For example, a registered nurse would need active listening and communication skills when interacting with patients but would also need effective technical knowledge related to diseases and medications. In many cases, a nurse would require to know when to consult a doctor regarding a patient’s medical needs as part of the solution

Active Listening Skills To Practice

- ✓ Paraphrase
- ✓ Ask open-ended questions
- ✓ Ask specific probing questions
- ✓ Use short verbal affirmations
- ✓ Display empathy
- ✓ Share similar experiences
- ✓ Recall previously shared information

Many instructors design opportunities for students to solve “problems”. But are their students solving true problems or merely participating in practice exercises? The former stresses critical thinking and decision making skills whereas the latter requires only the application of previously learned procedures.

A GUIDE TO PROBLEM SOLVING
(Soft Skills Development Program)

About the Department

The School of Education was established in the year 2008 in our esteemed institution with experienced and efficient faculty members. Since School of Education plays a vital role in all branches of education, all faculty members of our department put all possible efforts to make the future teachers very efficient and excellent in all walks of their career. We are following a wonderful system to achieve this goal as per the advice and guidance from our Chairman, Vice-Chancellor, Registrar, Dean and Managers. Now there are twenty four faculty members and two non-teaching staff in our department. Ten faculties has been awarded Ph.D., and two faculties are pursuing Ph.D., Also the Department of Education acts as the Local Examination Cell and the staff members are un-tiredly working for the smooth functioning of the Department activities.

Our department believes in activity based teaching and students are enhanced by us to improve their language skills. The art of teaching and learning process will lead the students to practice English by constant speaking. Students are being given practice for their progress in career advancement. Our department works tirelessly for PRIST University results and also for professional progression. Training & Placement course and literary club activities are rendered in our university to make the students adorable.

About the Program:

- One day program on 10/08/2022
- Problem solving is the process of defining a problem, identifying its root cause, prioritizing and selecting potential solutions, and implementing the chosen solution. There's no one-size-fits-all problem-solving process.

Objectives of the Program:

- Define the problem In understanding and communicating the problem effectively, we have to be clear about what the issue is. ...
- Gather information. What were the circumstances? ...
- Generate possible solutions. ...
- Evaluate ideas and then choose one. ...
- Evaluate.

Benefits of this Program:

Those with good problem-solving skills are a valuable and trusted asset in any team – these are the people who think of new ideas, better ways of doing things, make it easier for people to understand things or help save customers time and money. They are proactive thinkers who like to get things done.

About the Department

The School of Education was established in the year 2008 in our esteemed institution with experienced and efficient faculty members. Since School of Education plays a vital role in all branches of education, all faculty members of our department put all possible efforts to make the future teachers very efficient and excellent in all walks of their career. We are following a wonderful system to achieve this goal as per the advice and guidance from our Chairman, Vice-Chancellor, Registrar, Dean and Managers. Now there are twenty four faculty members and two non-teaching staff in our department. Ten faculties has been awarded Ph.D., and two faculties are pursuing Ph.D., Also the Department of Education acts as the Local Examination Cell and the staff members are un-tiredly working for the smooth functioning of the Department activities.

Our department believes in activity based teaching and students are enhanced by us to improve their language skills. The art of teaching and learning process will lead the students to practice English by constant speaking. Students are being given practice for their progress in career advancement. Our department works tirelessly for PRIST University results and also for professional progression. Training & Placement course and literary club activities are rendered in our university to make the students adorable..

About the Program:

- One day program on 15/03/2023
- When to utilize mentoring. While coaching excels in achieving specific short-term goals, mentoring works best as an ongoing long-term practice. Its purpose is to let employees grow over time.

Objectives of the Program:

- Identifying leadership.
- Begin a conversation.
- Develop through experiential learning.
- Build in both coaching and mentoring.
- Don't forget the soft skills.

Benefits of this Program:

- Personal growth.
- Problem-solving.
- Employee engagement.
- Skills development.
- Employee bonding and connection.
