GRIEVANCE REDRESSAL CELL ANNUAL REPORT 2021 – 2022

The Grievance Redressal Cell (GRC) is tasked with addressing complaints and grievances related to both academic and non-academic matters from students, faculty, and staff. As an independent and impartial body, the GRC is established to effectively resolve grievances arising within the campus. It operates with a well-defined structure, functions, and procedures designed to handle complaints in a timely manner. The GRC holds the authority to receive, investigate, and resolve issues related to discrimination, harassment, unfair treatment, and academic concerns. Furthermore, the GRC is empowered to recommend policy changes and improvements to prevent future grievances.

Objectives

The primary objective of the Grievance Redressal Cell (GRC) is to ensure that the institution fosters a fair and transparent environment for all stakeholders, including students, faculty, and staff. Specific objectives include:

- Providing a platform for addressing and resolving grievances related to academic and non-academic issues.
- Ensuring that grievances are handled promptly and effectively, protecting the rights of all involved parties.
- Promoting a culture of transparency, accountability, and fairness within the college.
- Raising awareness among stakeholders about their rights and responsibilities, and encouraging a respectful and inclusive campus environment.
- Recommending policy changes and improvements to enhance governance and prevent future grievances.

The GRC plays a crucial role in maintaining a conducive environment for learning, teaching, and research, safeguarding the rights and interests of all stakeholders.

❖ The details of the grievances raised during this academic year are outlined below.

Committee	Grievances Raised	Grievances Resolved	Grievances Yet to be Resolved
Grievance Redressal Committee	0	Nil, as no grievances were raised during this academic year.	0

The implementation of a rigorous monitoring system, coupled with effective awareness programs, ensured that no grievances were reported this academic year. These proactive measures were instrumental in preventing issues and maintaining a supportive environment for all stakeholders. The absence of grievances underscores the success of these initiatives in fostering a fair and transparent campus atmosphere, highlighting the institution's commitment to addressing and resolving concerns before they escalate.
