REPORT

Venue : CRD- Block Seminar Hall

Date : 17.02.2020

Department of Mathematics organized a Technical fest entitled "**Statica Math**" on 17.02.2020. The programme began with the invocation followed by the welcome address by **Dr. R. Abirami**, Assistant professor of Mathematics. **Dr. A. Venkatesh**, Professor, Department of Mathematics, A.V.V.M.Sri Pushpam College, Thanjavur was the resource person. He discussed about the Statica Maths and its system with the students that the Self-esteem underscores confidence in one's beliefs and values. It emerges from attitudes that a person develops towards something, which could be a personal vision such as career objectives, lifestyles, and other personal responsibilities.

Every Student gave good response to this interactive session. The programme ended with the vote of thanks delivered by **Dr. S. Subramaniam**, Head of Department of Mathematics.

The Principal/Dean/HOD

Dear Sir,

**Sub: Announcement of State level Technical Symposium “
MECHNOVA'19” to be held on 20th Sep 2019.**

PONNAIYAH RAMAJAYAM INSTITUTIONS was established in the year 1986 in the Delta district of Thanjavur by Prof. P. Murugesan, an Eminent Academician. Subsequently it was upgraded as “PRIST” Deemed to be University in the year 2008.

At this juncture, it is our pleasure to convey that the Department of Mechanical Engineering of PRIST Deemed to be University is organizing the State Level Technical Symposium “MECHNOVA'19” at our Campus.

This symposium is conducted for the benefit of the Mechanical Engineering students. Lease find herewith attached the Poster showing the details regarding the various events to be conducted for your kind perusal.

We would be extremely grateful if you could display the enclosed Poster on your Institution notice board and give a wide publicity among your students.

We anticipate the active participation from the students of your college.

Symposium Report

The initiative for conducting the state level Technical symposium – MECHNOVA'19 was taken by the final year students a month ago. The proposal was then prepared and submitted to the Management.

After getting approval from the Management, various committees such as Poster Printing, Catering, Registration, Certificate, Finance, Discipline, Decoration and Event committee comprising of all the second, third and Final year students were formed and the event started rolling on. Posters were printed and distributed to around 100 Institutions of the state and we started receiving the registration from then onwards and we have conducted the MECHNOVA' 19 with flying colors.

In the morning chief guest Dr.C.Sathyanarayanan, HoD, Department of Production Engineering, NIT, Trichy delivered an inspiring speech about "Entrepreneurship and Personal Development". The Special Officer of P R Institutions also gave a wonderful speech. 75 students from 15 Institutions participated in various events namely Paper Presentation, Adzap, Cad Modelling, Autoquiz, Minimilitia, On spot Memes etc., from various Colleges across the state and more than 11,000 rupees of cash has been distributed as prize money to the students.

We thank the Management on behalf of our department , Dean, HoD, both Teaching and Non Teaching Staff members for permitting us to organize this event in a grand manner and we especially thank the participants from various colleges who made this event into a colorful and memorable event in our college history.

SCHOOL OF AGRICULTURE

About the programme:

The programme is about Mushroom cultivation. Mushroom cultivation is the practice of growing edible fungi in controlled environments for consumption, research, and commercial purposes. This ancient agricultural technique, which dates back thousands of years, has evolved into a sophisticated industry that combines science, technology, and sustainability. By understanding the life cycle of mushrooms and creating optimal conditions for their growth, cultivators can produce a diverse array of mushroom varieties, from common button mushrooms to exotic species like shiitake and oyster mushrooms. Beyond its culinary appeal, mushroom cultivation offers benefits in sustainable agriculture, waste recycling, and nutritional enhancement, making it a compelling field of study and practice.

A mushroom cultivation seminar is an event designed to educate participants about the various aspects of growing mushrooms, from basic techniques to advanced practices. These seminars often target hobbyists, aspiring entrepreneurs, agricultural professionals, and students interested in fungi and sustainable agriculture. Here's an overview of what a typical mushroom cultivation seminar might include:

Typical Seminar Content

- 1. Introduction to Mushroom Biology:** A foundational overview of fungal biology, including the life cycle of mushrooms, types of fungi, and their ecological roles. This segment helps participants understand the scientific basis for cultivation practices.
- 2. Cultivation Techniques:** Detailed discussions on various cultivation methods, such as growing mushrooms on substrates like straw, sawdust, or coffee grounds. This section may cover both traditional techniques and modern innovations like indoor farming and vertical systems.
- 3. Environmental Requirements:** Insights into creating and maintaining optimal growing conditions, including temperature, humidity, light, and airflow. Participants learn how to set up and manage cultivation environments, whether in small-scale home setups or large commercial operations.
- 4. Disease and Pest Management:** Strategies for identifying and managing common issues such as contamination, pests, and diseases that can affect mushroom crops. This includes preventive measures and treatment options.

5. Harvesting and Post-Harvest Handling: Techniques for harvesting mushrooms at the right stage and handling them properly to ensure quality and longevity. This section may also cover drying, packaging, and storage.

6. Economic and Business Considerations: For those interested in turning their passion into a business, the seminar might include sessions on market analysis, business planning, marketing strategies, and regulatory considerations.

7. Interactive Workshops: Hands-on activities where participants can practice skills like inoculating substrates, setting up a cultivation system, or identifying different mushroom species. These practical sessions enhance learning and confidence.

8. Q&A and Expert Panels: Opportunities for attendees to ask questions and engage in discussions with experts in the field. These sessions allow participants to gain personalized insights and advice on specific topics of interest.

Benefits of Attending

1. Knowledge and Expertise: Attendees gain a thorough understanding of mushroom cultivation, from basic principles to advanced techniques, enabling them to start their own cultivation projects or enhance existing practices.

2. Practical Experience: Hands-on workshops and demonstrations provide valuable experience, allowing participants to apply what they've learned and troubleshoot common challenges.

3. Networking and Collaboration: The seminar provides opportunities to connect with like-minded individuals, experts, and potential collaborators, fostering a supportive community and opening doors to new opportunities.

4. Inspiration and Motivation: Exposure to successful case studies, innovative practices, and the broader potential of mushroom cultivation can inspire participants to pursue their own projects or ventures in the field.

coordinators keeping the interest and need of the engineering student into consideration, with little emphasis on the fun full events behind the scene. The events like paper presentation, poster presentation, project expo, programming, creative writing and many more events were equally planned, executed and have managed to gather maximum response. As far as Paper presentation event is into consideration the registrations were done in advance as the paper scrutiny needed to be done and to give opportunity to present best innovative idea submitted during the fest days. A total nearing to 40 Innovative ideas were acknowledged in various papers and problem statements from nearly 20 esteemed colleges like Periyar,sastra etc.. Apart from these many fun events like gaming, etc. were also organized. The winners were encouraged with a cash prizes for all the events. For the academic toppers also gold and silver medals were given in the presence of their parents. Department feels proud to organize such a successful event and would like to convey thanks to Dean and management for their timely advice and cooperation for organizing successful Fest. Arranged nearly 25 stalls of food and games by the students voluntarily. Not to forget final year thanks for contributed their complete effort and participants for making Technical Fest a grand success.
