PONNAIYAH RAMAJAYAM INSTITUTE OF SCIENCE & TECHNOLOGY (PRIST)

Declared as DEEMED-TO-BE-UNIVERSITY
U/s 3 of UGC Act, 1956

Annual e- Governance Report

2021-22

Preface

PRIST remains dedicated to technological excellence, embracing a forward-thinking approach with strategic e-governance initiatives. By seamlessly integrating services and leveraging cutting-edge technologies, the university aims to enhance the overall educational experience while strengthening security, connectivity, and administrative efficiency.

REGISTRAR,
Ponnaiyah Ramajayam Institute of
Science & Technology (PRIST),
(Institution Deemed to be University
U/s 3 of the UGC Act. 1956),
THANJAVUR - 613 403, TAMIL NADU.

Here are some insights on the implementation of e-governance across various areas of operations:

S.No	Name of the Service	Area of Operations
1	CCTV Surveillance	As part of our ongoing commitment to campus safety and security, we are implementing a comprehensive upgrade to our CCTV surveillance systems.
2	Wireless connectivity	As part of our commitment to providing seamless wireless connectivity and enhancing the digital experience on campus.
3	Firewalls	As part of our committed for data and infrastructure security at gateway level, we have implemented a firewall which configured as HA(high availability)mode, Fortinet firewall model number. 400 E has been implemented for management of student traffic and other works. These firewall containing logs which helps us to monitor all security related incidents to make our infra more secure and accessible for our students, employees and their data.
4	Servers	To full fill our technical requirements in area of management hosts/computers, data security, and accessibility we are optimized with serverto get centralized management.
5	Internet link	In a strategic move to further enhance our digital infrastructure, we are proud to announce a substantial internet link. This leased link involves a significant bandwidth of 1GB. This substantial enhancement aims to ensure seamless online operations, meeting the escalating demands for high speed and reliable internet access on campus. This link not only supports the current requirements of students, faculty and administrative operations but also positions us for future technological advancements and increased data traffic.
6	Desktops	As part of our ongoing commitment to provide an enhanced academic environment, we are embarking on a significant upgraded by deploying total 1300 advanced desktops in labs to further facilitate academic activities for student use.

7	ERP	ERP assists in completed student life cycle management including admissions, fee management, examination management etc.,
8	Tally	Embedded Tally features are utilized for creating purchase requisitions and vendor payments by the Finance Department.
9	Microsoft 365	We have implemented MS teams as an online class for students.
