INTERNATIONAL YOGA DAY ON 21.06.2022

International Yoga Day was organized by NSS Unit from our University. 165 volunteers participated in the activity on the occasion of 8th International Yoga Day on 21st June, 2022. The International Day of Yoga has been celebrated annually on 21 June since 2015, following its inception in the United Nations General Assembly in 2014. Despite being times of the quarantine, the volunteers celebrated the true spirit of Yoga by practising Yoga at home. The volunteers performed various yoga asanas at convenient time between 5 AM and 8 AM in the morning. The photographs of volunteers and staff members are performing yoga asanas in university auditorium. Volunteers expressed that they had a wonderful and refreshing experience of peace through Yoga, the amalgamation of the fitness of the mind, body and soul.

DENTAL CAMP FOR SCHOOL STUDENTS ON 19.07.2022

A sparkling smile depicts a healthy heart. The NSS units of PRIST Deemed to be University have arranged organized a Dental Checkup Camp for Kuruvadipatti village school students. The aim of the camp was to check, regulate and maintain the dental wellness of the students and spread awareness regarding dental health and hygiene. Following the motto “prevention is better than cure,” the teachers and medical instructors told the students to follow a schedule that keeps them fit orally and what sort of food provides better health. The event was held in the school premises and lasted for three hours, starting from 10:30 am to 01:30 pm. The medical team comprised two dentists and dental hygienists, who conducted the oral check-up of the children.

Activities:

The medical camp for dentists was a great success. The kids took an active role in the festivities and relished the occasion. Twenty percent of the 200 children the dental team examined had some kind of dental problem. The parents of these youngsters received advice from the dentists on how to get prompt dental care. All things considered, the dental medical camp was a great way to raise young children's knowledge of oral health. The occasion gave the kids the resources they needed to take care of their teeth and taught them the value of practicing proper oral hygiene. For their efforts in planning and carrying out the dental medical camp, the school administration and the dental team, led by Dr. Abirami Vallam Government Hospital, deserve praise.

SWACHTA PAKHWADA ACTIVITIES ON 07.08.2022

PRIST NSS organized Swachh Bharat activities on 07.08.2022 within the University campus. On the day of Swachh Bharat Fortnight inauguration, students and faculty members took pledge of cleanliness. A signature campaign was also organized to create awareness on keeping the campus clean and green. Further to the inaugural event, a seminar was conducted on “Awareness on Green Environment”. More than 100 students and volunteers engaged themselves in various activities including cleaning the surroundings of library building, hostel buildings, department buildings and administrative building. Apart from these, students were involved in removal of mesquite trees from the University campus and planting saplings in both academic and residential campuses. Awareness programmes and competitions were also conducted for students to bring about visible changes in the surroundings and to efficiently deal with waste disposal.

The NSS volunteers gathered to clean the surroundings of the individual buildings in the campus. NSS volunteers enthusiastically collected plastic wastes, tea cups, weeds, and dry leaves spread over the surrounding areas. The volunteers gathered all the waste and trash bags to the place where the university arranged for the removal of collected wastes. The whole cleaning drive was quite inspiring and motivating for the NSS team members.

HEALTH AND HYGIENE AWARENESS PROGRAMME: (HEALTH CAMP FOR WOMEN)

A Health Awareness programme was organized last 7th October 2021 our University premises. The eminent and famous doctors of our locality were invited and they took part in this programme. The well-known dietitian of the locality Dr. Malarvizhi, was selected President of the camp. All the doctors emphasized the necessity for personal health and hygiene. The doctors advised the students to eat healthy balanced food and to keep him or her clean. Most of the doctors highlighted the need for sleeping inside mosquito nets at night and to drink boiled water to prevent diseases like malaria, dengue and enteric diseases. The students were told not be lured by fast food, colored drinks, cold drinks and cut fruits. The doctors also emphasized the need for taking physical exercise daily. Regular physical exercise makes one's body healthy and stout. They guest doctors also focused on the need for keeping oneself clean and on keeping hands cleaned and washed. They said that the students need to keep themselves free from any kind of unhealthy materials. Totally 50 housekeeping workers and 20 volunteer's involved in this programme.

WOMEN AND CHILD WELFARE AND CYBER CRIME AWARENESS PROGRAMME on 14.10.2022

PRIST University NSS Cell jointly organized with District Social Welfare Office and Ministry of Women and Child Development to create awareness among the College students about all the citizens of India have right to live quality life. Bharatiya Stree Shakti strives for gender equality and women empowerment so that women could live in peace and harmony in Indian society. The infamous “Nirbhaya” case generated widespread outrage and was widely condemned in India and abroad. The Ministry of Women and Child Development (MWCD), Government of India, investigated the impact of changed policies and laws. The research project “**Tackling Violence against Women: A Study of State Intervention Measures**” aimed at documenting the changes in registration of the cases of violence against women after the policy level changes and to compare the national scenario related to the violence against women. The awareness given by Mrs.M.VIMALA District Social Welfare Officer. Mrs.A.Juliya field officer, Mrs.N.Elamathi MWCD coordinator. Totally 150 girls students involve the programme.

BREASTCANCERANDCERVICALCANCERAW ARNESSPROGRAMME

Introduction

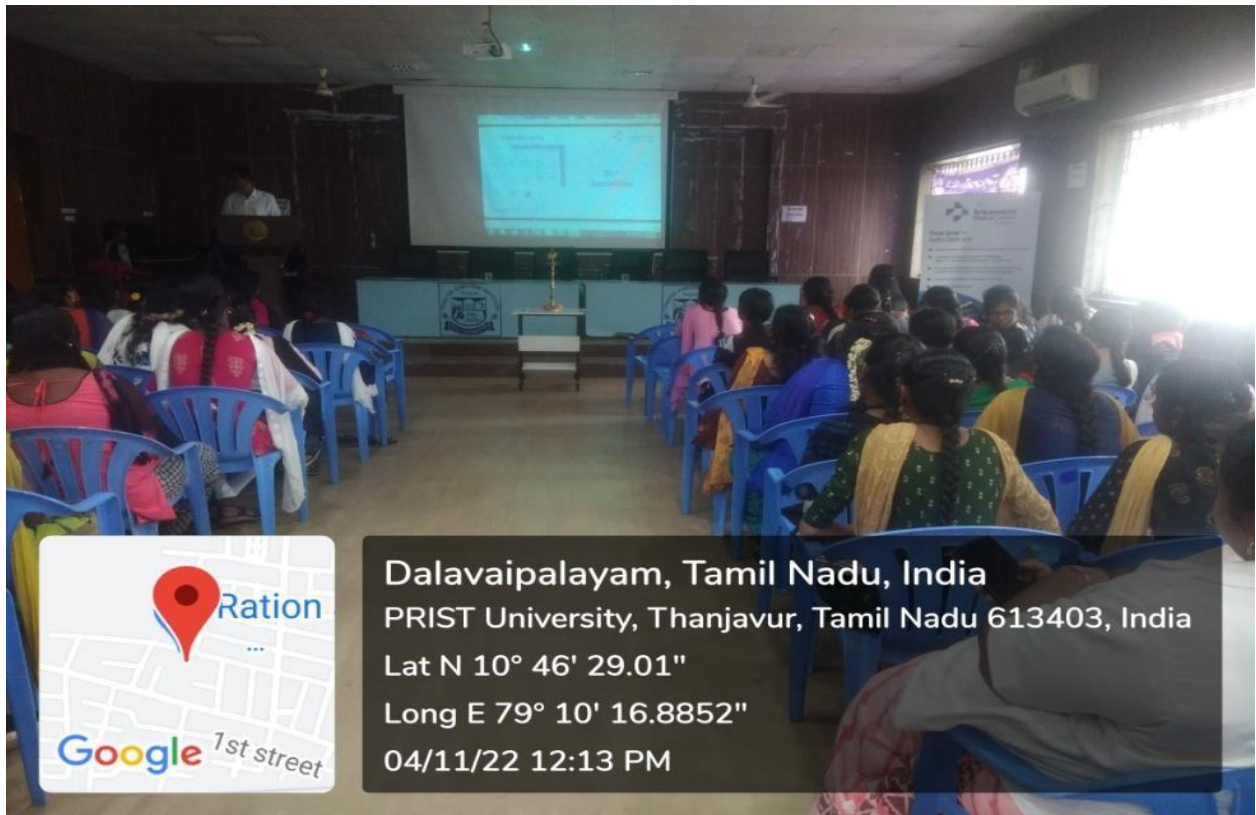

The posters provide awareness among students, regarding the types of cancer, early symptoms, diagnostic methods and preventive methods, and motivate them to avoid habits that increase the risk of cancer. The importance of cancer awareness has been emphasized as a means of ensuring behavior that facilitates early detection, whereas the absence of cancer awareness has been seen as a detriment to this end. Delay in health-seeking is also attributed to factors such as illiteracy, financial constraints, as well as myths and superstitions along with lack of awareness and this go hand-in-hand, most of the time. Screening is an important preventive measure in cancer control. Even though the national programme in India has a screening component, it is yet to take root in most part of the country. At present, most of the screening tests are available at higher centers only.

OBJECTIVES:

- Create cancer awareness and remove the stigma and fear attached.
- Help people recognize early signs and symptoms of cancer, thus enabling them to seek at an early stage.
- Educate students about the key risk factors, since more than 30% of cancer cases could be prevented by modifying lifestyle or avoiding the risk factor.
- Inform women about mammograms, clinical breast exam and breast self-exam
- Inform students about the importance of regular screening and check-ups

Organizingmembers

- Dr.S.Ambiga
- Dr.R.Manikandan–NSS coordinator
- Dr.A.Bakrudeenaliahmed
- Dr.S.Sathishkumar
- MR.R.Viswalingam

ONE STUDENT-ONE TREE PROGRAMME

Trees represent life, growth, peace and nature. They produce oxygen, clean soil, prevent drought, control flood related disasters, prevent soil erosion, improve physiological, mental and spiritual health, and also reduce carbon footprints. Keeping this in mind the campaign for the One-Student One-Tree programme was initiated by the PRIST NSS Cell at Kuruvadipatti Village on 27th March 2023.

The students also took the Oath: “I will plant a tree sapling and take care of the sapling such that it grows into a mature tree”

We hope that such activities shall sensitize and encourage the students to “Love the trees until their leaves fall off, and then encourage them to try again next year”.

“ONE STUDENT ONE TREE PROGRAMME”

PRIST NSS volunteers planted tree saplings in the Kuruvadipatti village.

HEALTH AWARENESS PROGRAMS AND MEDICAL CAMP ON 28.03.2023

Health promotion is one of the most important activities to promote health. PRIST NSS Cell organizes health Awareness programs in its Adopted villages Kuruvadipatti. This program educates them in prevention. People attend the sessions and become aware of water borne and air borne diseases. They also wash their hands and use the hand kerchief when they sneeze. People are also given medicines as they attend camps.
